Ross spoke about the website and anyone who would like to post information re. clubs, events etc. should contact Ross.

The address is www.newtylevillage.org.uk and there is a link to contact Ross on the site (well worth a visit).

A.O.C.B.:

It was brought to our attention that during the recent really bad weather that most of the village had been cleared of snow using lorries and diggers etc. but some parts of the village were not cleared by the Council at this time. This was passed on to the Councillors present.

Another matter which arose was the fact that the school grounds do not get cleared or gritted. Cllr. Gaul told us that due to the fact that the Newtyle is on a Devolved School Management that they are actually responsible for clearing and gritting themselves.

**NEXT MEETING TUESDAY 1ST MARCH 2011 IN THE COMMUNITY WING -
